

proposes that the second paragraph of Section B - Procedural Issues (p.14) be deleted, and that the following language be inserted in its place.

Some parties discuss rulings designating documents and information as "confidential" and "confidential and proprietary." GCI repeats its previous request that the Commission examine the ALJs' decision to decline to apply the Commission's *Cass* ruling on confidential treatment of Commission documents. We decline, in this instance, to grant that request, since the positions of the parties (GCI and ComEd in particular), as reflected in the ComEd Motion supported by the Movants, appear to remove the controversy as to this proceeding, but reserve that issue for a later date.

CONCLUSION

GCI continue to support adoption of the proposed order attached to the ComEd Motion filed March 4, 2003, as amended on March 18, 2003. If the proposed order attached to the ComEd Motion and as amended is not adopted, GCI respectfully request the Commission to modify the Administrative Law Judge's Proposed Order as set forth herein.

Dated: March 24, 2003
